Consideration and Adoption of Resolution No. 044-2018, Calling for the Election of the Treasurer for the City of Cloverdale as Part of the General Municipal Election to be Held on November 6, 2018.

Summary

On June 26, 2018, the City Council adopted Resolution No. 036-2018, requesting that the County Board of Supervisors consolidate a general municipal election with the statewide general election for the election of three (3) members of the City Council. The City Treasurer's term is also expiring; therefore, staff is requesting that the City Council adopt No. 0XX-2018, calling for the election of the Treasurer for the City of Cloverdale in conjunction with the election of three (3) City Council members, each for a term of office of four (4) years as part of the General Municipal Election to be held on Tuesday, November 6, 2018. This would allow the County to conduct the election for the City Treasurer in conjunction with the election of City Council members and canvass the results as provided by law.

Options

The City may consolidate its election with the statewide election, or it may conduct its own election. If the City chooses a stand-alone election for the election of the City Treasurer, it will be responsible for all costs for the voter's pamphlet, polling places, etc. If the City chooses a consolidated election for the election of the City Treasurer, it will bear a pro-rated share of the costs of conducting the election.

Budget/Financial Impact

Sonoma County estimates that the cost for each jurisdiction participating in the 2018 consolidated General Election will be \$4.00 – \$6.50 per registered voter, with a total estimated range of \$18,196 – \$29,569 for the City of Cloverdale. The City does not anticipate having any local measures on the November 2018 ballot. The City's share of the November 2016 election came to \$7,686. Costs of the election are borne by the City's General Fund.
