Present Land Use/Zoning/General Plan Designation:

General Plan: CF, LDR, and GI; Zoning Code: AR, RR, and M1

Project Description: *(please use a separate page if necessary)*

The project site is located at the southern edge of the City of Cloverdale in Sonoma County, California and consists of Assessor's Parcel Number 117-040-053 & -084. The applicant is proposing to develop 304 housing units composed of 79 single-family residences, 59 row house units, 166 apartment units, and 2 community clubhouses and related infrastructure. In total, the project would develop 20.3 acres while preserving 6.79 acres of hillside woodland areas above 400-feet on the project site and preserve an additional 1.50 acres, which contains an existing homestead. The project would include a 25-foot setback from top of bank from the unnamed drainage in the northeast portion of the site. Because the project site is currently located outside of the city limits, the project includes annexation into the City of Cloverdale, a General Plan Amendment to re-designate the project site to Medium Density Residential and High Density Residential, and pre-zoning to Planned Unit Development.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.

Reviewing Agencies Checklist

Lead Agencies may recommend State Clearinghouse distribution by marking agencies below with and "X".
If you have already sent your document to the agency please denote that with an "S".
